Dear Valued Customers,

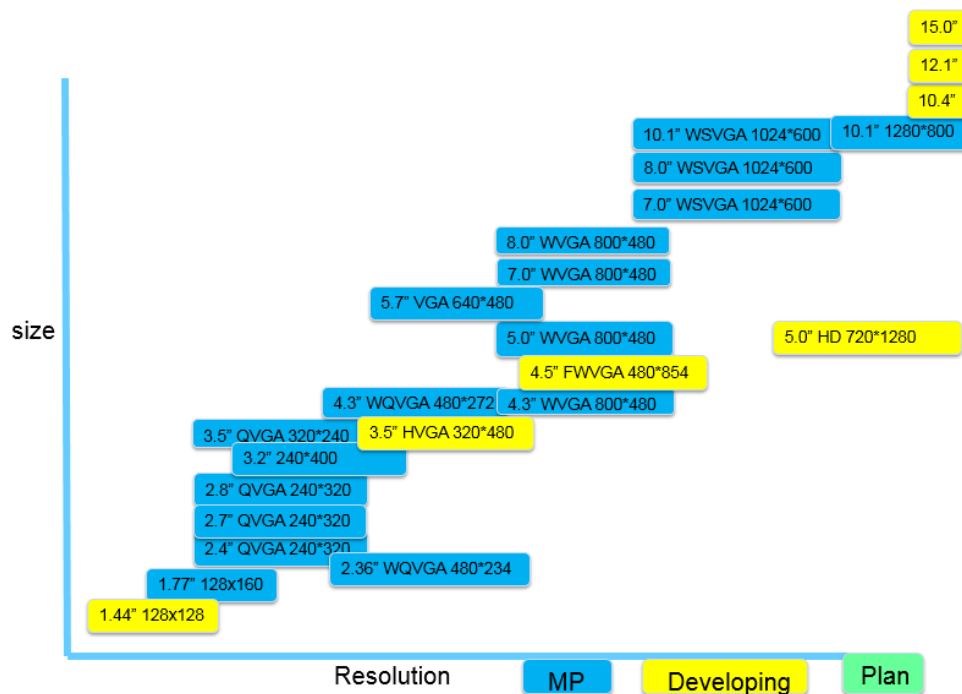

Orient Display is committed to the developing new LCD displays to meet our customers' needs and we are excited to let introduce several new products to our TFT line. The new AFK Series is in addition to our standard AFY series.

With the addition of the AFK series we now have sizes ranging from 1.44" to 15.0"

Some of the new products include: IPS, transfective, high brightness and some special resolutions etc.

You find the new AFK series TFT and our existing AFY series TFT modules datasheets and quick reference chart on our website: <http://www.orientdisplay.com/cstn-tft-lcds.html>.

Offerings include:

The Minimum Order Quantity for the new AFK series is 1000 pcs per release. Customizing the AFK series is easy. If you have a special requirement such as changing the interface, backlight brightness, etc., we will work with our factory to provide the best solution for you. Please contact Orient Display for further information and samples.

As always our AFY series still have no Minimum Order Quantity and many are in stock in Seattle, WA.

With the launch of the new AFK series, Orient Display strives to provide additional options and better service for our valued customers!

Sincerely,

Bill Cheung/Marketing Manager
