MAKE THINGS POSSIBLE

April 28th, 2026

Dear Valued Customers:

Round IPS Display

Introducing our new Round IPS TFT display series, offering vibrant visuals in sizes from 1.3" to 4", with the option to add a sleek capacitive touch panel. Perfect for smart wearables, home appliances, industrial controls, and IoT devices, these displays bring both style and performance to your designs. With excellent viewing angles and crisp color reproduction, your interface will look sharp from every perspective. Easy integration options help speed up development and reduce time to market. Stock is expected to arrive mid-June—stay tuned!
